A ONCE-IN-A-LIFETIME EXPERIENCE

It's going to be great!

World Expo 88 offers visitors a once-in-a-lifetime experience. There will be something to intrigue and delight every member of the family in a world suspended between fantasy and reality. World Expo 88 promises some

of the greatest names in show business in a diverse programme ranging from opera to rock 'n' roll. The world's imagination will be captured by colourful marching bands, spectacular fireworks, dazzling laser light shows, breathtaking water ski stunts, futuristic parades and more. As part of the celebration of

leisure and technology, a space-age hi-tech amusement park will feature the latest thrill-a-minute rides and a kaleidoscope of amusements. To transport visitors around the 40-hectare site, Expo 88's monorail will carry passengers

along a 2.3 kilometre circuit. Passengers will be able to board one of the four trains every two minutes. There will be so much to explore and experience at World Expo 88 that you will want to return again and again. Add Brisbane's inviting climate, with its mild winter temperatures

and its close proximity to the internationally famous tourist destinations of the Gold and Sunshine Coasts, and you have the ideal location for Australia's biggest celebration.
