

The *Mechanical* Man

RANDY BURNS, "THE MECHANICAL MAN"

ACT DESCRIPTION • AUDIENCE TYPE • MARKETS

"He is indeed the best robot impersonator in the world!"

Ed Florimont - General Manager, Fantasy Island Amusement Park

"The Mechanical Man's" comedy interaction with his audience is incredible. With his robotic moves and comedic timing you won't believe what he can make them do without saying a word as he moves through the crowd.

BIOGRAPHY

"Thank you for becoming the 'star' of our Expo!"

Barbara Absolon - Deputy Director of Entertainment, Expo 88, Australia

Randy Burns started his career as a comedy stage actor in Vancouver, Canada where he received a Theatre Arts Degree. He moved to Los Angeles in 1977 to try his hand at film acting and also attended the Lee Strasberg Actor's Studio in Hollywood. While studying at the Actor's Studio he landed a job on the Queen Mary in Long Beach, California. It was at the Queen Mary where he perfected his act known as "The Mechanical Man".
