THE PAGODA'S ICONOGRAPHY (VII) THE PAGODA SECOND AND THIRD LEVELS

During World Expo '88 the general public had access to the Pagoda's First and Second Levels. Access to the Second Level was courtesy of the Pagoda's internal left wall staircase, and revealed a traditional Nepalese Teahouse where traditional Nepalese hot and cold drinks, sweets and savouries could be ordered.

The Third Level was for Staff Only, and may have hosted the Pagoda's office and other administration.

It is the vision of Foundation Expo '88 and The Friends of the Pagoda Association to become the permanent lease-holders of the Second and Third Levels of the Pagoda, for (i) an Association Volunteer staffed World Expo '88 Museum, and (ii) break-out space for Volunteers and Executive Office for the Foundation and Association respectively.

The draft schematic diagram for the Second Level space can be viewed at The Friends of the Pagoda Association pages at the Foundation Expo '88 website at <http://www.foundationexpo88.org/friendsofthepagoda/museum/>
